  January 2016 – December 2018
  Advanced to a leadership position, managing department operations, supervising staff, optimizing workflow, and driving performance targets.

TELCO-CUSTOMER SERVICE / TECHNICAL SUPPORT
STARTEK Philippines
Makati City **July 2019 – February 2021**

Provide advanced assistance to customers experiencing issues with porting or transferring phone numbers to or from T-Mobile. Handle escalated cases that Tier 1 support is unable to resolve, ensuring a smooth and timely transition process while maintaining a high level of customer satisfaction.

OPERATIONS TECHNICAL SUPPORT
TELUS Philippines
Taguig City **February 2021 – October 2021**

Assist AOL users with technical issues related to email, connectivity, account management, and security. Involves promoting, selling, and assisting in the installation of AOL-approved antivirus and security software.

IT SERVICE DESK LEVEL 1
Collabera Philippines-Contractual
Taguig City **March 2022- September 2022**

Supporting the Albertsons account, and served as a Level 1.5 escalation point, handling technical issues beyond the scope of frontline (Level 1) support. I worked closely with the internal IT team to provide efficient and timely assistance to store associates, pharmacists, and corporate employees across various locations.

IT SERVICE DESK LEVEL 1.5 -SPE
Cognizant Philippines
Taguig City **September 2022-Febuary 2026**

Supporting Mars Veterinary Hospitals, provided global IT support to veterinary teams across multiple regions, including the United States, Canada, Japan, and Hong Kong. My primary responsibilities included handling escalated technical issues from Level 1, resolving complex incidents, and ensuring continuity of service across various hospital systems.
